This is a natural four-bedroom, terraced house on the sought-after Davis Road, with the potential to extend (STPP).

This already sizable home currently offers two reception rooms, a separate kitchen and guest cloakroom on the ground floor and four bedrooms and a family bathroom on the first floor. There is the option of an attic extension should it be required (STPP).

Retaining many period features this desirable home is able to offer a remodelling project for a family seeking to make a very comfortable home in the catchment of outstanding schools or for someone with a keen eye for a shrewd investment.

Davis Road is a short walk from the shops and cafés of the Uxbridge and Askew Roads. There are many bus links along the Uxbridge Road meaning that the wider choice of shops, restaurants, and leisure destinations of Westfield Shopping Centre are within easy reach.

Central London and further afield is served by the district line from nearby Stamford Brook and Turnham Green underground stations as well as being moments away from the A40. Wendell Park is within walking distance and neighbouring Chiswick offers additional options for shopping, restaurants, and bars.
