THE DEVELOPMENT:-

City Island is a quality residential development, built between the River Aire and Leeds Liverpool canal. There is an on-site Concierge, extensive communal grounds and feature pond with fountains. This property is well positioned for easy access into and out of the city centre, as well as the bars and restaurants the West End of the city has to offer.

LIVING SPACE:-

The lounge is a great size, making the position of furniture very straight forward. Light pours into the space via floor to ceiling patio doors, that open onto a glazed balcony - offering lovely views of the development communal gardens below, in a westerly direction.

KITCHEN / DINER:-

The recessed kitchen is a good size and offers a variety of built-in appliances, including a Smeg electric oven and ceramic hob, with extractor hood - as well as a fridge, with freezer box and washing machine. The wall and base units are matt grey, finished off with matt black worktops - there is also the added benefit of a high level breakfast bar.

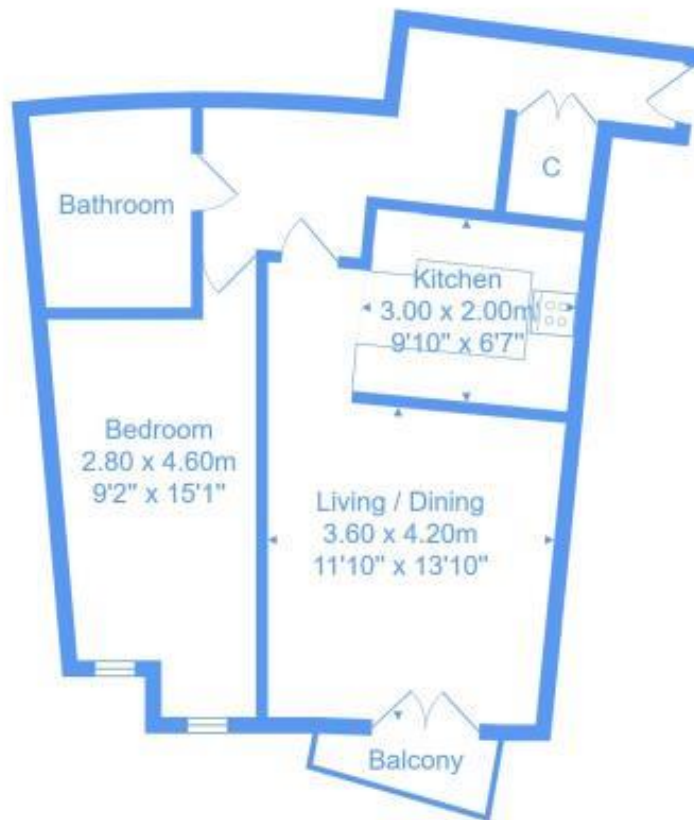

BEDROOM:-

The bedroom is a fantastic size and over 4 meters in length - therefore facilitating a study area if required. The room also allows for a king-size bed, side tables and wardrobes, with views being afforded over the piazza below from two large picture windows.

BATHROOM:-

The bathroom is mainly tiled in white, with designer fixtures and fittings in chrome - including a mixer controlled shower over bath, low level w/c, floating sink, large wall mounted mirror, with glass storage shelf and a chrome heated towel rail.
