WE ARE LONDON SQUARE

MAKING LONDON GREATER

We are dedicated to making London even greater. Founded in 2010, our name was inspired by the ethos of London's famous squares – landmarks renowned for their legacy and community.

Now part of the Aldar Group of companies, London Square and Aldar are committed to creating world-class developments, anchored in high quality design, sustainability, and customer service excellence – building award-winning homes where people really want to live.

We are proud to be at the heart of delivering much-needed new homes and communities – revitalising forgotten, neglected corners of Greater London and beyond in key commuter locations. Our sites are in well-connected districts, close to good transport links and local amenities. They range from apartments for first-time buyers to smart family homes, from grand restorations and conversions to contemporary, destination developments. We also create affordable homes for shared ownership through our independent housing provider, Square Roots, established by London Square in 2022.

Our customers inspire every part of our process, they determine where we build, how we build and, above all, why we build. Every home encompasses inspiring architecture, clever design and specification and the highest standards of energy efficiency.

Creating a sense of place is embedded in every London Square development, with attractive landscaped gardens and open spaces, often with new shops and offices, redefining and helping to transform neighbourhoods and contribute to the local economy.

We are delighted to be creating exceptional new homes here at Twickenham Square, our fourth development in the London Borough of Richmond. This is one of the most coveted areas to live in London, offering the highest quality lifestyle from every aspect – spectacular green spaces, excellent schools, first-class amenities and fast transport links. We are working with existing residents, schools and businesses to make our development part of the local fabric, encouraging thriving communities to flourish to make a positive difference to people's lives – embodying the spirit of London Square.

At London Square, we plan right down to the finest detail to ensure that you find the home of your dreams.

BENEFITS OF BUYING NEW

New-build properties come with a promise – you can move straight in and immediately relax in your home. No stress or costly renovation to worry about.

AWARD-WINNING CUSTOMER SERVICE

Our dedicated sales and customer care teams are here to help and guide you through every step of your purchase.

Our customer service excellence has been recognised with a number of prestigious awards, including the 2023 In-House Research gold award, which is based on customers' recommendations. If you require extra assistance, our sales team will be happy to help.

12-YEAR WARRANTY

All our homes carry the reassurance of a 12-year ICW warranty.

This protects our customers should their new property develop any defects arising from construction. We also add our own 2-year London Square Customer Care Warranty which ensures that should anything break down as the result of a defect, the cost of repair/replacement is covered.

HIGH QUALITY BUILD

Quality is built into the very fabric of our homes, so you can buy with complete confidence.

From the selection of construction materials to the external and internal finishes, we use only high-quality products provided by our trusted supply chain and fitted by skilled craftspeople.

SECURITY & PEACE OF MIND

When you buy a London Square home off-plan, you can be assured that the finished product will meet our very high standards in every aspect of the build and finish.

All appliances, fixtures and fittings are in perfect working order from day one.

ENERGY EFFICIENT

Your new home complies with all the most up-to-date building regulations for sustainability, insulation and energy efficiency.

Our properties' minimum EPC ratings of B, with many achieving A, help keep you warmer and your bills lower.

COMMUNITY & HERITAGE

Creating sustainable communities where people thrive is core to our operations.

We develop places that are a pleasure to live in, with homes set in beautifully landscaped and biodiverse grounds. We always ensure our developments are well integrated into the wider local community and enjoy excellent transport links, services and facilities.

MANAGEMENT COMPANY CHARTER

Our mission is to make a difference to people's lives which continues once residents have moved in.

The Management Company oversees the communal and estate areas across every London Square development, with an appointed managing agent to assist on its behalf.
